

Declarations – Identity in God

Speaking God's truth over ourselves is a powerful act that aligns us with His perspective and promises for our lives. When we declare His truths, we invite His creative and transformative power into our daily existence, affirming our identity as His beloved creation.

1. When God speaks, He creates; therefore, when I speak, I create.
2. I was made in His image and likeness.
3. I function according to my original design.
4. I am who He says I am.
5. I am chosen; my existence was in God's plan from the beginning.
6. I am who I am by design, nothing about me is a mistake (Ps 139:13-14).
7. I am one with Christ.
8. I am made in His likeness and image.
9. I am adopted as His child (Ephesians 1:5).
10. I was His idea; being the righteousness of God was always His idea.
